

MINISTRY HIGHLIGHT

ALDANCARE

AldanCare ministry is available to help with basic needs to those going through a temporary financial crisis. AldanCare also encompasses our food pantry, which is now open a few times a month for shopping. We encourage you or someone you may know to reach out to the church office at 610-259-8010 and leave a message in the relief line voicemail. **All information is confidential.** An application is necessary for financial help but no information is needed to shop at the food pantry. As brothers and sisters in Christ, it is our privilege to serve you. We look forward to lending a helping hand.

If you would like to support AldanCare you can donate funds either online or via a pew envelope. The food bank is nearly empty, please consider donations of all kinds, non-perishable food items, paper goods, and hygiene items.

MISSIONARIES OF THE WEEK

NATHAN & CORY SANDAHL

With the start of the new year, we have begun a new school year at the two national schools. NCA Nejapa has begun the year with 370 students and NCA Matagalpa has 320 students. This will once again be a challenging year as we will be going through some leadership changes at these schools. NCA Nejapa in January lost one of their principals. NCA Matagalpa is preparing for a new head of school as our current director is retiring. NCA International is in the second semester of their school year with 280 students. Cory continues to support the 3rd grade class as a teacher assistant. Cynthia is finishing her junior year and in final preparations for her trip to Panama for an academic debate competition with over 400 student participants from all over the Americas (March 8-14). Natalie has enjoyed the new rhythms and opportunities of middle school. Nathan continues to work with the administration of the 3 schools (currently working on a big accounting system update) and is coaching the boys basketball teams at NCA International. Their prayer requests are: (1) Wisdom and discernment for Nathan as he guides the hiring and molding of the leadership teams at NCA Nejapa and NCA Matagalpa, (2) Teachers for next year at NCA International, there are numerous anticipated vacancies and very few potential replacements at this point in time, (3) Teachers and students will form bonds and connections that will lead to the formation of lifelong learners and disciples of Christ that have an eternal impact on the world around them. You may send a word of encouragement to Nathan at nathan@sandahl.org.

To learn more about the 50+ missionaries we support, check out our Missionary Wall located in the hallway between the Sanctuary and the Gym.
