

SCRIPTURE MEMORIZATION

Our memory verse for July is John 15:5 - "I am the vine; you are the branches. Whoever abides in me and I in him, he it is that bears much fruit, for apart from me you can do nothing."

UPDATE ON CHILDREN'S MINISTRIES

The Elders have decided that we will not restart our children's ministries during the morning Worship Service during the summer months. That means that we will not have Nursery, Beginners Churchtime, Wee Worship or Kids Worship during the Service, so parents will need to continue to keep their children with them.

ADULT BIBLE SCHOOL CLASSES ON ZOOM

Most of our adult Bible School classes are still meeting each Sunday by Zoom. If you are not a part of one of these classes but would like to join one by Zoom, please contact the church office (office@auc.org), and you will be put in contact with a class.

MEN'S MINISTRY

MEN'S TUESDAY MORNING BIBLE STUDY | 6:30 AM – 7:30 AM CHAPEL

Our speaker for this month is Walt Huddell.

STUDENT MINISTRY

We will have Bible study each Monday night for July and August in Providence Park. This will be a time for middle and high schoolers (and their leaders) to get together in person, catch up with one another, and study God's word. Each MNBS will last about an hour from 7:15-8:15 pm.

MINISTRY HIGHLIGHT

NEW MEMBERS

Hebrews 10:23-25 encourages us as believers to remember God is faithful. That is a promise to hold on to in all circumstances of life. The writer instructs us to consider ways we can stir others up in the Body to show love and do good deeds. He asks us to look for ways to stimulate others in their Christian walk; to remind each other that God is faithful, especially as we see the turmoil of the end times. He stresses the importance of being connected to the Body of believers. Church membership provides a means of fulfilling this verse. It solidifies the relationship between the individual and the corporate Body. It provides the avenue by which a person can serve the church family. It encourages accountability to one another. Look for an announcement in the future for the next New Member's class.

MISSIONARY OF THE WEEK

S AND T IN SOUTHEAST ASIA

"Things are progressing well. This pandemic was a fantastic time to connect with our neighbors. Usually during Ramadan, people will break their fast with friends and family. Since this was not possible outside of one's household, our neighbors connected using WhatsApp and started a food sharing group. Our family was the only one not of the majority religion. Each day someone would knock on our door and deliver something tasty to try. I made American style chili and quesadillas for everyone. Through this, we have gotten to know many neighbors. I've written an article for a local newspaper. We are hoping to encourage local people of different races and religions to grow in their friendships with one another. We hope our Father will help these relationships grow. Praise for the health He has given us. We ask for the healing of racial wounds and tensions. Pray for the believers in these countries to mourn with those who mourn. We ask prayer to see a new passion for seeing the beauty of the multicultural body in CH and guidance as we continue the many new relationships and opportunities to share with these friends. Pray for a smooth process in printing the 2nd edition of our game." *(For their safety, we don't publish their name and email.)*
