Due to COVID we will be holding our conference in a modified format while striving to reach many women. This year's conference will not include lunch, and it is free and open to women of all ages! GOD'S GALS

Do you want to study God's Word and build relationships within a small group? If so, God's Gals is for you! It is a Bible study, support, encouragement group for women that meets Monday evenings from 6:45-8:30 PM. Our study will be "Everything You Need" by Dr. David Jeremiah. We use a hardcover book and study guide; signup is required. The group will begin on September 7th and because of covid-19, we will meet via Zoom for September and October. To register, please contact Judy Edinger at 610-505-3126 or jaedinger1@gmail.com.

STUDENT MINISTRY

BIBLE STUDY

We will have Bible study each Monday night of August in Providence Park. This will be a time for middle and high schoolers (and their leaders) to get together in person, catch up, and study God's Word. Each MNBS will last about an hour from 7:15-8:15 PM.

MINISTRY HIGHLIGHT

EXPLORER GIRLS

Explorer Girls is a Christ centered Bible teaching ministry for girls ages 4 through 18. We meet every Monday evening from 7-8:30 PM from September to May. We teach God's Word, memorize verses, sing songs, and help develop abilities through teaching various life skills that they can use throughout their lives. We will begin our meetings this year on Monday, September 28th. We welcome any girls who want to join us. For more information, contact JK Williams, jk@egministriesinc.org.

Due to the coronavirus, Explorer Girls and Xtreme Xplorers will begin their clubs on Zoom. More information will be given as we get closer to beginning our programs.

MISSIONARY OF THE WEEK

JONATAN & SHANTAL ODICIO

"We pray God is keeping you all safe. We are sorry we won't be able to visit you as planned. We continue to be in "lockdown," however, people are going outside to work and find support for their families. The economic crisis hits them harder than the fear of getting infected. Some cities have entirely collapsed. We live forty minutes from the city and have settled into a new normal. We continue keeping social distance and quarantine at the campground. Our ministry has moved to online platforms. Pray for missionaries who are losing support at this time. Our children have settled into a good homeschool routine, and we all are enjoying our time together. We are doing Sunday School online programs and have 20 posts already. God is using this to reach children all over the Spanish speaking world. A channel in northern Peru asked if they could broadcast our program on their radio station. Pray children will come to know, love, and obey the Lord. We have nearly 20 students for the online Ministry Training Center and more want to join. Pray for God to give us wisdom as we navigate online ministry. Pray for supporters to remain faithful during these difficult times. Pray for God to keep our family safe and understanding as we sort some family issues." *You may send a word of encouragement to Jonatan and Shantal at shantal.odicio@gmail.com.*
