MINISTRY HIGHLIGHT

XTREME XPLORERS

Xtreme Xplorers started last year running! Our attendance was steady throughout the year at about 25 boys per night. We enjoyed another trip to Fort Mifflin in the late fall and after our Christmas break we started to work on our Pine Cars for our annual race. Like so many things in our society XX had to shut down for health safety reasons. We plan on holding our meetings virtually this fall and will be recognizing the boys achievements from the past year and acknowledging the boys who will be aging out of the program. As we attempt to have our meetings on-line we will need your prayer support even more. Another very important prayer request: We Need More Leaders! We need men to stand alongside these boys to mentor them and show them they are loved and that they matter. We are looking for men who are willing to commit to this program. If you are a junior in high school or older we want you. For more information contact Bruce McCollum (bdm151121@gmail.com).

MISSIONARY OF THE WEEK

JUAN PABLO & MARIANELA GARCIA

"It is incredible to notice how this situation has affected even the most distant places: the Amazon jungle. Traveling back home, we did everything we could to avoid getting sick. We were very cautious during our stay in Lima. However, we have COVID 19. Marianela and I are undergoing treatment to fight this disease, and thank God we are stable with the medicine, and our health is improving. We also thank God that Joaquin does not have the symptoms. Pray for the city of Huanuco. This city is where we have programs for people with disabilities. It is also the city that for now has the highest number of infections, and entering the city is prohibited. Praise God; we just received permission from a police colonel to bring our supplies of aid to Huanuco. Pray for the 10-hour trip. I will bring three young medical and nursing students. May the Lord guide and keep us on this journey to help those who have the least and live in the Peruvian Andes. Thank you for being outstanding and helping us to express the love of our Lord Jesus Christ. We thank God for you all and your prayers and financial support." *You may send a word of encouragement to Juan Pablo and Marianela at juanpabloymarianelatec@gmail.com.*
