MINISTRY HIGHLIGHT

C & C

The College and Career class has been working through the book of *Jonah* together for the past few months since the summer. In October we had a movie night at the Huddell's house which was well attended. Finally, C&C has been included in a new young adults ministry. This includes a weekly discussion-oriented Bible study on Wednesday evenings at the Heron's home with other social events planned throughout the year.

MISSIONARY OF THE WEEK

JONATAN AND CASEY TORREJON

The past month had been hectic preparing for the conference we just had at the end of November and the Christmas program we are preparing for now. We both had the privilege of being involved in the praise band for the conference. This month of December, we will be going out to different churches and public places to present a short Christmas program and share the message of Jesus. The program consists of a narrative video and songs that tell the story of Jesus, followed by a brief message of the gospel. We are part of a small ensemble of six people and have been rehearsing all year to prepare. We will be working with the local churches to evangelize and reach the people who see the program. We are very excited about all that is happening this month and looking forward to seeing what God does in Bolivia through this outreach. Please pray for this Christmas program to reach people, and through this, people will come to know Jesus as their savior. Pray for our health that we can all stay healthy during this time. Pray for the upcoming camp season in January and all the preparations. Thank you for your prayers. *You may send a word of encouragement to Jonatan and Casey at jonatancasey@gmail.com*
